Dear Chef Alex and Staff,

Members of New Iberia Chapter Daughters of the American Revolution and guests continue to compliment the food, service, and facilities afforded to us as we held our Constitution Luncheon at your restaurant, Landry's Seafood and Steakhouse in New Iberia, a short time ago. This annual luncheon is held in different cities each year. New Iberia's luncheon will long be remembered. The menu was so well planned, so delicious, and so beautifully served to our 73 members and guests from around the Acadiana Region to include several state officers. While attending a Louisiana Society DAR meeting in Natchitoches recently, those who had attended our luncheon were still talking about the cornish hens and eggplant dressing.

It was a pleasure working with your staff in planning ahead and then in setting up the room on the day of the luncheon. All our expectations about the food were exceeded. Having such a large room available to us was a big plus. We will definitely be contacting you for future luncheons.

Sincerely,

Norma S. Lester
